

Law 24

CARD EXPOSED OR LED PRIOR TO PLAY PERIOD

When the Director determines that during the auction period because of a player's own error one or more cards of that player's hand were in position for the face to be seen by his partner, the Director shall require that every such card be left face up on the table until the auction period ends. Information from cards thus exposed is authorized for the non-offending side but unauthorized for the offending side. If the offender becomes declarer or dummy the cards are picked up and returned to the hand. If the offender becomes a defender every such card becomes a penalty card (see [Law 50](#)), then:

A. Low Card Not Prematurely Led

If it is a single card below the rank of an honour and not prematurely led, there is no further rectification.

B. Single Card of Honour Rank or Card Prematurely Led

If it is a single card of honour rank or is any card prematurely led offender's partner must pass when next it is his turn to call (see [Law 23](#) when a pass damages the non-offending side).

C. Two or More Cards Are Exposed

If two or more cards are so exposed offender's partner must pass when next it is his turn to call (see [Law 23](#) when a pass damages the non-offending side).
