AGREED CLAIM OR CONCESSION

A. When Agreement is Established

Agreement is established when a contestant assents to an opponent's claim or concession, and raises no objection to it before his side makes a call on a subsequent board or before the round ends, whichever occurs first. The board is scored as though the tricks claimed or conceded had been won or lost in play.

B. Director's Decision

Agreement with a claim or concession (see [A](#)) may be withdrawn within the Correction Period established under [Law 79C](#):

1. if a player agreed to the loss of a trick his side had, in fact, won; or
2. if a player has agreed to the loss of a trick that his side would likely have won had the play continued.

The board is rescored with such trick awarded to his side
