After receiving all entries and after the draw, we will inform each captain by the next match. We will start in January 2014 and will continue for some months depending on the number of participants.

• We trust in fair play and friendship by all participants, important values for FISU and WBF. Any violation against fair play will not be accepted and have severe consequences by FISU and WBF. At the request of the Captains, Kuba can act as Tournament Director during each match.

Please publicise this event as widely as possible among your Universities, and encourage players to participate and make it a good success like in 2012 when 66 university teams participated in this online championships..
